

## **FALLS ACES BASEBALL**

Falls Aces Baseball aims to develop baseball athletes through a consistent, challenging, and continuous system. Falls Aces Baseball is open to all Menomonee Falls Little League players who are motivated to develop their skills to the next level. Athletes are required to play MFL through the 8th grade level to be a part of the Aces program. We attract athletes and families who are looking for better individual outputs rather than team outcomes. If this fits your needs, please visit our website for more information at [fallsaces.org](http://fallsaces.org).
